Goodbye Kansas Studios receives large order for game trailer and In-Game content from new international customer

Goodbye Kansas Studios has received a significant order from a new international customer for the production of a game trailer, In-Game content and motion capture for a game project. The customer has confirmed the order and the parties are now finalizing the formal process to sign the contract. The total value of the order amounts to approximately SEK 31 million. The project will commence immediately and run until the first quarter of 2026.

"Our proven ability to deliver outstanding creative solutions has created the prerequisites to win this order for a major project from a new customer. We continue to generate strategically important orders in a highly competitive market, thanks to our strong brand and a track record that is hard to beat," says Stefan Danieli, CEO of Goodbye Kansas Group.
