

Diadrom has received an order from Lynk & Co for a development team and a license for Diadrom DiagStudio to develop diagnostic services

Diadrom Systems AB, a wholly owned subsidiary of Diadrom Holding AB (publ), is a leading software company that offers services and own products for diagnostics of Autotech, has received an order from Lynk & Co International AB.

The order refers to a development team, as well as a license fee for the right to reuse functionality of Diadrom DiagStudio, to develop new diagnostic services together with Lynk & Co.

The value of the order is approximately SEK 3 million and applies throughout the year and the management of Diadrom believes that the order is strategically important.

"Diadrom offers expertise and complementary products in diagnostics by Autotech to OEMs and Tier 1 suppliers in the automotive industry. We are very proud to help Lynk & Co with our expertise in the diagnostics area and with the reuse of functionality from Diadrom DiagStudio to develop their diagnostic services." says Carl Johan Andersson, CEO, Diadrom."

About Lynk & Co International AB

Lynk & Co International AB (Lynk & Co) is a Chinese-Swedish automobile brand owned by Geely Automobile Holdings. Lynk & Co was created to provide mobility solutions for the connected generation. We do make really, really good cars (the kind that have all the features you want without you having to ask for them), but we also offer a new way of using those cars. Our membership-based approach makes it simple to get on the go. Members can access a car on a flexible, month-to-month basis and share with friends, family, and the Lynk & Co community.

This information is information that Diadrom Holding AB (publ) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out above, at 2021-06-28 18:00 CEST.
