

## Qben Infra's awarded significant contract in Sweden

**Laje AS, a subsidiary of Qben Infra-owned Qben Power, has been awarded a contract SEK 94 million in Sweden.**

Laje AS, a subsidiary of Qben Infra-owned Qben Power, has been awarded a contract by Ellevio AB for the construction of a 170 kV power line between Tandö and Nyhusen, Sweden. The power line will stretch approximately 31 kilometers and include around 192 pole positions, with four steel poles and the rest made of wood. The contract is valued at SEK 94 million and is expected to be completed by January 31, 2027. "This contract win is a testament to our ongoing efforts to strengthen our presence in the Swedish market" says Anders Granshagen, CEO Qben Power.

### About Qben Infra

Qben Infra invests in and develops companies in infrastructure services in the Nordic region. The company operates in niches where the market is driven by strong growth trends, large government investments and where opportunities for consolidation and strong growth exist – for example, railways and power grids. The strategy includes driving organic growth, reinforced by selective acquisitions (M&A) and realisation of synergies. For more information, see [qben.se](http://qben.se).
