### About us

Founded in 2018, Webrock Ventures is a venture studio that starts and builds companies in Brazil in partnership with successful Swedish tech companies. Brazil has over 215 million people and is one of the world's largest economies and the population is among the most digitally engaged in the world. Webrock leverages established Swedish companies' proven business models and technology to gain a head start in Brazil's fast-growing digital industry that often matures later than in Sweden. By bringing together ideas, capital, resources, and talent, Webrock acts as a co-founder, building growth companies from the ground up. With a 35-60 percent ownership stake in its portfolio companies, Webrock ensures substantial value for a limited initial investment. The company's share WRV is traded on Nasdaq First North Growth Market with Redeye AB as Certified Adviser.
