

Twiiik AB (publ), has completed the name change to Metabolic Nordic AB (publ)

Formerly Twiiik AB (publ), has completed the name change to Metabolic Nordic AB (publ), which was approved at the Annual General Meeting held on June 26th. The new ticker for the stock is MBOLIC. The name change for the publicly traded stock will take effect on July 15, 2024, following the registration of the new company name with the Swedish Companies Registration Office (Bolagsverket).

The new company name is part of the previously communicated strategy focusing on consumer solutions for metabolic health and sustainable lifestyle changes.

"We are very interested in helping more people achieve sustainable lifestyle changes, where we see that our method and process for the 100 Days concept yield very good results for participants in the program. The extensive use of medications for weight loss has also created a significant opportunity for us to help this target group not only lose weight temporarily but achieve lasting change using our method," comments Marcus Lindskog, Acting CEO of Metabolic Nordic AB.
