

Press release May 22, 2023

ProfilGruppen AB has appointed Mari Kadowaki as president and CEO.

Mari holds a degree in industrial management and engineering and has worked as CEO at SAFT AB in Oskarshamn since 2007. Prior to this assignment Mari spent several years at Swedish appliance manufacturer Electrolux. For the last 12 months Mari has served as a board member of ProfilGruppen. Mari is also a board member of Garo AB and the vice chairman of Teknikföretagen. Mari will start her new position no later than 12-01-23, Jonny Sandstedt will continue as acting CEO meanwhile.

ProfilGruppen's chairman of the board, Mats Johansson, comments:

"We are very pleased to welcome Mari as the new CEO of ProfilGruppen. With her solid experience and leadership, we are convinced she will continue to develop ProfilGruppen in a positive way."

Mari Kadowaki comments:

"It is with great joy and enthusiasm I'm looking forward to take office as soon as possible. During my tenure as a board member, my interest in the business has grown and it will be very stimulating to be able to contribute to ProfilGruppen's continued development."
