

# Ekobot announces the resignation of a board member

**Ekobot AB (publ) announces that Victoria Woyland at her own request, resigns as a board member of the company's board with effect from today.**

*Victoria Woyland will step back from her position as board member to dedicate all her time to her operational role in another company.*

According to the company's articles of association, the board shall consist of a minimum of four and a maximum of seven members, and following Victoria Woyland's departure, the board consists of six members.

We thank Victoria for her dedicated contribution to the board work and wish her the best of luck.

## About Ekobot

---

*Ekobot AB (publ), based in Västerås, conducts business based on the business concept of developing, manufacturing and selling autonomous agricultural robots that enable efficient precision cultivation where weed management takes place completely without or with minimal use of herbicides. The company's vision is to provide the agricultural sector with a long-term sustainable alternative for reducing or completely eliminating chemical spraying in crops of crops for human consumption. The company is listed on the Nasdaq First North Growth Market.*
