H100 Group Enters into Introducing Agreement with Finpeers SA

H100 Group AB (publ) (“H100 Group” or the “Company”) has today entered into an introducing agreement with Finpeers SA, a Swiss-based firm focused on establishing investor communities consisting of family offices, high-net-worth individuals and investment managers.

Under the agreement, Finpeers SA will act as an introducing agent for H100 Group and may present the Company to potential contacts within its network, who could have an interest in the Company. As a reference Finpeers SA facilitated the introduction between H100 Group and the majority of the investors who subscribed for the convertible loan announced on 25 May 2025 (in which the Company secured SEK 21 million in gross proceeds).

Due to Finpeers SA being controlled by Sander Andersen, CEO and Board member of the Company, the agreement is subject to Board approval and subsequent approval on a general meeting to be called for in due course.
