New agreement - Aarhus in Denmark starts up with CoreTherm® treatments

ProstaLund has signed an agreement for CoreTherm® treatments with the new customer Aros Privathospital, with placement of the Coretherm® machine at Skebyparken 154, Aarhus Denmark.

ProstaLund has signed an agreement with Aros Privathospital in Denmark. The agreement means that ProstaLund will install the CoreTherm® machine with accessories at the clinic. The first CoreTherm® treatments are planned to be carried out in August 2024.

"We see a continued interest in CoreTherm® treatments in Denmark and it is pleasing news that ProstaLund now exhibits another machine that can help more Danish patients get help with their urination problems" says Anders Kristensson, CEO ProstaLund AB
