

Issue and repurchase of C shares for incentive program

Hexatronic Group has completed the new issue and subsequent immediate repurchase of 924,800 C shares as resolved by the Extraordinary General Meeting on August 26, 2026. The shares are being issued and repurchased in accordance with the long-term incentive program LTIP 2026 adopted by the Extraordinary General Meeting.

Danske Bank A/S, Danmark, Sverige Filial has subscribed for and been allocated all 924,800 C shares. Payment for the subscribed and allocated shares, and subsequently repurchased by Hexatronic, has been made at SEK 0.01 per share, corresponding to the quotient value of the shares.

The purpose of the repurchase is to ensure delivery of shares to participants in the program and to be able to cover any social security contributions arising from LTIP 2026. The C shares do not carry any right to dividends and entitle the holder to 1/10 of a vote per share at the Annual General Meeting.

Following the issue of C shares, the total number of shares in Hexatronic amounts to 226,179,027, of which 221,448,661 are ordinary shares and 4,730,366 are C shares. All C shares are held by Hexatronic.
