INTRUM RESOLVES ON A DIRECTED ISSUE OF APPROXIMATELY SEK 1 BILLION AS PART OF THE DIRECTED ISSUE OF APPROXIMATELY SEK 1.5 BILLION

On 7 May, 2026, Intrum AB (publ) (“Intrum” or the “Company”) announced an approximately SEK 7.5 billion fully guaranteed capital raise (the “Capital Raise”). The Capital Raise will be effected through a fully committed directed issue of shares of approximately SEK 1.5 billion (the “Directed Issue”) to selected investors as well as a fully underwritten rights issue of approximately SEK 6 billion (the “Rights Issue”). The Extraordinary General Meeting on 9 June, 2026 resolved (i) to authorise the Board to resolve on the Directed Issue, and (ii) to carry out the Rights Issue. The Board has today resolved on a directed issue of approximately SEK 1 billion corresponding to a maximum of 407,754,536 shares (the “First Directed Issue”), which is the first of two issues in the completion of the Directed Issue. The second directed issue of approximately SEK 500 million will be carried out in the beginning of July 2026.

The First Directed Issue

The Board has, pursuant to the authorization granted by the Extraordinary General Meeting held on 9 June, 2026, and as communicated in the Company’s press releases on 7 May, 2026 and 4 June, 2026, resolved on a directed issue of a maximum of 407,754,536 shares. The Directed Issue will be carried out in two separate issues due to certain technical and registrational reasons. The First Directed Issue was subscribed for by Investors including Kistefos AS, Funds managed by Carnegie Fonder, Funds managed by DNB Asset Management, Toluma AS, as well as other additional strategic investors. The second directed issue of approximately SEK 500 million will be carried shortly after the new shares issued in the Rights Issue and the First Directed Issue have been registered by the Swedish Companies Registration Office.

As communicated in the Company’s press release on 7 May, 2026 and 4 June, 2026, the subscription price in the Directed Issue was set to SEK 2.45 per share, which corresponds to the subscription price in the Rights Issue. For information on the Board’s reasoning for determining the subscription price and the reason for deviating from the shareholders’ preferential rights, please refer to the Company’s press releases on 7 May, 2026 and 4 June, 2026.

Through the First Directed Issue, the number of outstanding shares and votes will increase by 407,754,536, from 136,245,464 to 544,000,000. The share capital will increase by SEK 9,714,097.314113 from SEK 3,245,829.485763 to SEK 12,959,926.799876.

Registration of the new shares in the First Directed Issue is expected to take place in connection with registration of the new shares in the Rights Issue in the beginning of July, 2026. The shares issued in the First Directed Issue will not receive any subscription rights to participate in the Rights Issue.
