

# Coala Life is pleased to announce the launch of our new website.

We encourage everyone to visit and explore the website! <https://www.coalalife.com/en/>

Our goal with this new website is to create a more user-friendly experience and give our visitors an easy way to discover more about our services and the solutions we can offer.

A more modern look, simplified navigation, responsive layout for smartphone users, and more information about our solutions.

The new website also provides access to our new Investor Relations website which provides a better understanding of who we are, our mission, and our vision for the future.

Information such as stock data, company profiles, and press releases can be found here. <https://investors.coalalife.com/en/>

## About us

---

Coala Life is a medical device company founded in Sweden focusing on cloud-based cardiac and pulmonary diagnostics. The company has developed and launched the Coala Heart Monitor - a multi-award winning, FDA-cleared and CE-approved product platform enabling long-term remote monitoring, analysis and algorithm-based diagnostics of heart and auscultation of lungs, remote in real-time. The Coala Heart Monitor is mainly marketed to healthcare providers as an Rx solution for use in patient's everyday life and home environment. The company's solutions are based on over 10 years of R&D, and are protected by more than 30 patents. The head office is based in Uppsala, Sweden and since 2019, the US office is based in Irvine, California. More than 10,000 patients have used, been diagnosed or are under long-term monitoring with the Coala Heart Monitor. In the Coala Care Portal, there are currently more than 1,700 doctors and nurses connected to more than 500 care providers. The company is listed on Nasdaq First North Growth Market.
