

Press Release

04 March 2022 13:00:00 CET

Qlucore presents at capital market day the 9th of March

Qlucore, listed on Nasdaq First North, participates in Stockholm Corporate Finance 14th Life Science Capital Markets Days on March 8 - 9, 2022. CEO Carl-Johan Ivarsson will present on March 9 at 9:30.

Qlucores software creates possibilities for improved cancer care. This is possible through advanced visualization, built on mathematics and biology, which makes it easier for analysts and pathologists to determine faster and more precise diagnoses.

Stockholm Corporate Finance is arranging the capital market days for the fourteenth year in a row in collaboration with Financial Hearings and Nyhetsbyrån Direkt. If you want to register as a participant in the Capital Markets Day, use this link, <https://www.lyyti.in/SCF-Life-Science-Kapmarknadsdagar-2022>

About QluCore

QluCore is a leading provider of new generation intuitive bioinformatics software for research and precision and companion diagnostics. QluCore's mission is to make it easier to analyze the huge amounts of complex data generated by innovations in the fields of genomics and proteomics by providing powerful visualization-based bioinformatics data analysis tools for research and precision diagnostics. QluCore Omics Explorer software is a Do-It-Yourself bioinformatics software for research in the life science, plant- and biotech industries, as well as academia. QluCore Diagnostics and QluCore Insights are software platforms with built in AI-based machine learning for multi-omics companion and precision diagnostics. QluCore was founded in 2007 in Lund, Sweden and has customers in about 25 countries around the world, with sales offices in Europe and North America, and distribution in several countries in Asia. QluCore is listed on the Nasdaq First North Growth market. www.qlucore.com
