Net Insight's CFO is leaving the company

Stockholm, Sweden – The company's CFO Joakim Schedvins has decided to leave his position and the company. The company is now starting a process to recruit a new CFO.

Joakim Schedvins is leaving the company at his own request for a new position outside of Net Insight. He will remain as CFO and a member of the management team until the end of Q1 2024.

"I want to thank Joakim for his great commitment and valuable contribution to the company and wish him good luck in his continued career. Joakim will continue to work during his notice period, which provides us with continuity during the recruitment process," says Crister Fritzson, CEO of Net Insight.

About Net Insight

Net Insight (Nasdaq: NETI B) provides the highest performing, most open video transport and media cloud technology for content providers as the industry standard for flexibility and service across live contribution, distribution and remote production media workflows.

For over 25 years, the world's leading content owners, broadcasters, production companies, service providers and enterprises have trusted Net Insight's Emmy® Award winning Nimbra technology to guarantee media delivery. Today, Net Insight partners with hundreds of customers in over 70 countries to ensure media flows across managed and unmanaged IP networks, and the cloud – from anywhere, to everywhere. It enables customers to get the best from any mix of virtualized, cloud and IP technology and is the only platform to support all the major industry standards, protocols and clouds.
