

# Anna Vilogorac appointed new CFO of Ratos

**Anna Vilogorac has been appointed as the new CFO of Ratos and will assume her new position during May 2025. Ratos's current CFO, Jonas Ågrup, will be retiring.**

Anna Vilogorac served most recently as CFO of Triton company Nuent Group AB. Before that she held a variety of senior positions within finance, investor relations and strategy, including at Sandvik Group where she served as CFO of the Sandvik Rock Processing Solutions business area as well as Group Investor Relations Manager, Head of Group Business Control and Strategy Manager. She also worked for several years as a strategy consultant at KPMG and PwC.

To ensure a smooth transition, Jonas Ågrup will remain in his current role until Anna Vilogorac is in place.

"I already want to thank Jonas for his exceptional contributions to Ratos, including the introduction of centralised financing and his instrumental role in transforming Ratos from an investment company into a group. Jonas is a well-liked, enthusiastic leader, and his extensive experience and broad knowledge has made him a highly valued member of Group management. I'd also like to welcome Anna to Ratos. The financial breadth of her background and her experience in investor relations makes her an ideal candidate for Ratos. She has all the prerequisites to create value on Ratos's journey towards becoming a more streamlined group," says Jonas Wiström, President and CEO, Ratos.

"I'm pleased and honoured to be entrusted to become the new CFO of Ratos in an exciting phase. I look forward to, together with the team and the rest of the Group management, continuing to build value for Ratos and Ratos stakeholders," says Anna Vilogorac, incoming CFO, Ratos.
