About Checkin.com Group

Checkin.com Group, founded in 2017, specializes in creating secure digital environments by helping businesses establish who is on the other side of the screen. The company's advanced KYC solutions streamline user registration, identification and login processes while also ensuring that the Enterprise and SME customers meet strict regulatory standards. This is achieved through a variety of advanced technologies that in real time verify user identities, assess ages, and scan official documents with high accuracy. The software also features biometric technologies to provide an extra layer of fraud prevention while enabling seamless experiences for end-users.

By offering a smooth and secure experience for users and flexibility and customer-focus for partners, the software drives both user trust and business growth. The Group is headquartered in Stockholm, Sweden, but operates and recruits globally to attract world-leading talent.

Checkin.com Group's share is since 2021 listed on Nasdaq First North Growth Market under the trading symbol "CHECK". The company creates shareholder value and growth through organic growth and strategic acquisitions.
