

iZafe Group expands the information provided to shareholders and other stakeholders

Stockholm, Sweden - iZafe Group AB (publ.) (NASDAQ First North: IZAFE B) - a leading Life-Science company in healthcare digitalization announces an expansion of its information provided to shareholders and other stakeholders. As a complement to the communication of important events and regulatory news in accordance with current regulations, the provision of information is expanded with a channel via the website for ongoing updates that are not covered by rules for publication.

The news feed will be available through a separate section at www.izafegroup.com/bolagsuppdateringar.

In regard to this, iZafe Group has brought forward a publication in written form reflecting the Q&A, which was held in connection with the year-end report 2020. Find the Q&A on the website under the heading [investor relations](#). A video that deepens some of the questions will be published, as previously communicated, on the first of March 2021.

About Us

iZafe Group is a Swedish med-tech company that develops and markets medical and digital security solutions to create safer drug handling at home. Our digital medicine dispenser Dosell reduces the risk of incorrect medication, increases security for family and relatives and relieves public care personnel. Our products form a holistic concept that facilitates patient medication and gives those who are treated at home better conditions for a happy and safe life.

The company is listed on the NASDAQ First North Premier Growth Market. FNCA Sweden AB is the company's Certified Adviser. Phone: +46 (0) 8 528 00 399. E-mail: info@fnca.se. Further information is available at www.izafegroup.com/investorrelations.
