Buybacks of shares in Enea during August 30 – September 3, 2021

During the period August 30 – September 3, 2021, Enea AB (publ) has repurchased in total 3 100 own shares (ISIN: SE0009697220) as part of the share buyback program initiated by the Board of Directors to secure delivery of shares in the share related incentive program.

The share buybacks form part of the buyback program, which Enea announced on July 16, 2021. The share buyback program, which runs between July 19, 2021 to March 31, 2022, is being carried out in accordance with the EU Market Abuse Regulation (MAR) and Commission Delegated Regulation 2016/1052 (the so-called Safe Harbour Regulation). Shares in Enea have been repurchased as follows:

Date	Aggregated daily volume (number of shares)	Weighted average share price per day	Total daily transaction value
30/08 /2021	600	224.5000	134,700.00
31/08 /2021	700	226.4386	158,507.02
01/09 /2021	300	230.5000	69,150.00
02/09 /2021	700	240.9307	168,651.49
03/09 /2021	800	241.1875	192,950.00

All acquisitions have been carried out on Nasdaq Stockholm by DNB on behalf of Enea. Following the above acquisitions, Enea's holding of own shares amounts to 63 388 as of September 3, 2021. The total number of shares in Enea, including the own shares, is 21,615,231, and the number of outstanding shares, excluding the own shares, is 21,551,843. A full breakdown of the transactions is attached to this announcement.
