

New expansion released in The Lord of The Rings Online: Kingdoms of Harad

Enad Global 7 today announces that Standing Stones Games, a Daybreak Games studio, has released the latest expansion 'Kingdoms of Harad' for the free-to-play MMORPG The Lord of the Rings Online.

The Kingdoms of Harad expansion, which is priced between \$39.99-129.99, includes four new zones for players to explore and more than 400 new quests, giving players a wealth of content to experience in the game.

Kingdoms of Harad is the 11th major expansion for the game since it launched in April 2007. The Lord of the Rings Online remains the only MMORPG based on J.R.R. Tolkien's Middle-earth following the recent cancellation of a competing title.
