

## Obducat receives order for an EITRE® 8 NIL-system from an existing customer in Asia

**OB Ducat AB (publ) subsidiary Obducat Technologies AB, a leading supplier of lithography solutions based on nanoimprint lithography (NIL), has received an order for the supply of an EITRE 8 NIL-system from an existing Asian customer which has been using Obducat's NIL systems for manufacturing photonic components for several years. The order value amounts to approx. 7 million SEK.**

The EITRE 8 system will be installed in the customer's cleanroom facilities, in which continuous manufacturing of photonic components is ongoing. The EITRE 8 system will expand the customer's production capacity and there is an expectation that further increase of production capacity may be needed in the coming year. Further information cannot be disclosed at this point in time due to confidentiality reasons.

The EITRE 8 system is planned to be delivered during the fourth quarter this year.
