

## **ENVAR GAMES IS TODAY RELEASING THE INTERNALLY DEVELOPED GAME WITCHSPIRE**

**Envar Games is proud to announce that Witchspire, the studio's highly anticipated first internally developed game, is now available in Early Access on Steam.**

After years of development, community engagement and growing anticipation, players can now step into the world of Witchspire and experience its blend of magic, exploration, and adventure. The launch marks an important milestone for Envar Games and represents the culmination of years of passion, creativity, and hard work from the team. The studio would like to extend its thanks to everyone who has supported the project, shared feedback, followed its development, and contributed to the enthusiasm that has led up to this release.

"We're excited that players can finally experience Witchspire for themselves," says Liam O'Neill, Head of Games. "The Early Access launch marks the beginning of the game's future, which we hope to continue building and expanding for a long time to come. On launch day, the game had approximately 440,000 wishlists on Steam, clearly demonstrating a strong interest in Witchspire".

Witchspire will be available in Early Access on Steam starting today, the 10th of June on <https://store.steampowered.com/app/2679100/Witchspire/>
