

## **Wall to Wall Group strengthens the organization in Denmark and Finland**

**Wall to Wall Group continues its expansion in Denmark by appointing Heine Buhl as the new head of Greenpipe A/S. Heine is currently sales manager at Greenpipe and was previously CEO of Proline A/S in Denmark. Heine will take up his new role on June 1, 2024. We thank Christof Strelander for his strong commitment and great work in taking Greenpipe to a market-leading position in Relining of properties in Denmark.**

Wall to Wall Group also continues to strengthen its competitiveness in Finland by merging Reliner OY and Sukittajat OY into a joint company under the name Sukittajat. Through this merger, Sukittajat becomes the market leader in relining on the Finnish market and sees this merger as a natural step in developing the business further. The new responsible for the joint company will be Jan Weckström, who most recently was responsible for Reliner OY. He will lead the operation together with Andreas Forsblom, recently responsible for Sukittajat and now CPO and deputy head of Sukittajat.
