

Ann-Charlotte Andersson appointed as board member of Eleda

Ann-Charlotte Andersson has been appointed as a board member of Eleda AB. Ann-Charlotte is currently Business Unit Manager Power Products at Addtech and was prior to that Vice President Business Development and M&A at division TecSec at Lagercrantz Group (technology group), CEO of Scanmast AB (telecom infrastructure), CEO of Scandinavian Track Group (railway) and held senior positions at Sweco. She has an Executive MBA from the Stockholm School of Economics and a M.Sc. in Mechanical Engineering from the Royal Institute of Technology.

About Us

Eleda is a leading and fast-growing infrastructure solutions provider in the Nordics, delivering services in selected niches across the power distribution, technology, water and transportation industries. We create value by identifying and developing high-quality, local, market-leading companies that deliver infrastructure services to society.

The group has since the start made more than 40 acquisitions. Revenue increased by 25% in 2024 and adjusted EBITA by 32%, compared to 2023. The company has over 3,800 employees, LTM revenue of more than SEK 22 billion, and is headquartered in Stockholm.
