

## Subscription period for Vimian's incentive program 2023-2026 has commenced

**Vimian Group AB (publ) ("Vimian") announces that the subscription period for Vimian's incentive program 2023-2026, a warrant program for employees in the group ("LTI 2023") commenced on 15 June 2026 in accordance with the terms and conditions of LTI 2023. Each warrant under LTI 2023 entitles the holder to subscribe for 1.025734 ordinary shares (after recalculation following the rights issue carried out in 2024) in Vimian at an exercise price of SEK 30.80. The subscription period ends on 15 July 2026.**

To finance the share subscription, a number of warrant holders have chosen to sell a total of 1,069,041 ordinary shares. The sale of the shareholding was carried out on the market by DNB Carnegie Investment Bank. To facilitate the transaction, Vimian's largest shareholder, Fidelio Vet Holding AB ("**Fidelio**"), lent ordinary shares in Vimian to DNB Carnegie Investment Bank, on behalf of warrant holders, which has undertaken to return these shares without delay as soon as practicable after the share subscription has been registered with the Swedish Companies Registration Office.

To facilitate the process for foreign warrant holders, Fidelio has further acquired a total of 79,215 warrants from the foreign warrant holders, which will be exercised to subscribe for ordinary shares.
