

SaveLend Group makes changes in Group Management

SaveLend Group AB (publ) ("SaveLend Group" or "the Company") is implementing two changes in Group Management. Current CFO Jonas Ahlberg is appointed Deputy CEO and will at the same time retain his current role. Current Head of Communications Lina Brattström is appointed Chief IR and Communications Officer and will be part of the Company's management team. The changes are effective immediately.

Jonas Ahlberg has worked in the Company since 2018 and already holds the role of CFO for the Group, a position that he will continue to have in parallel with his role as Deputy CEO. Jonas is one of the founders of Billecta, which was acquired by SaveLend Group in 2018. He has previously been a board member of SaveLend Group and held the role of COO.

Lina Brattström began her position as Head of Communications at SaveLend Group on September 1 this year. She is now appointed Chief IR and Communications Officer and will also be part of the Company's management team. Lina has many years of experience working with communication and marketing of companies in a listed environment and has a bachelor's degree in marketing communication and IT from Stockholm University.

"We are making these two changes to clarify Jonas' natural role as a leader and to highlight the communication work on a daily basis at management team level. We are in a very expansive phase, and both Jonas and Lina contribute daily to us approaching our financial goals for 2025", says Ludwig Pettersson, CEO of SaveLend Group.

About SaveLend Group

SaveLend Group AB, 559093-5176, is a fintech company with approximately 60 employees and offices in Sweden, Finland and Poland. The business is based on the investment platform SaveLend and the billing platform Billecta.

The investment platform makes it possible for investors to gain exposure to credits, such as SME, real estate, consumer credit and factoring in both SEK and EUR. The billing platform consists of a complete billing system, containing, among other things, accounts receivable, notification and financing solutions.
