Carstore expands to Slovakia

MÖLNDAL, 24 July 2024 – Carstore, Hedin Mobility Group’s dedicated used car retailer, continues to grow and has now opened its first dealership in Bratislava, Slovakia. As of June, Carstore has entered its fourth European market adding to the three Nordic countries Sweden, Norway and Finland.

Hedin Mobility Group further strengthens its position in the Slovakian market by establishing the first Carstore dealership. Carstore, a concept that has been available on the Swedish market since 2020, offers a wide range of used, condition-checked vehicles from multiple well-known brands, from smaller vehicles to high-performance SUVs. Additional services are also available for customers, from tires and rims to workshop services.

“The opening of our first dealership in Slovakia is an important milestone for Carstore. We are very happy and proud to offer used cars at our new, modern premises in Bratislava. We believe that our combination of quality vehicles and excellent customer service will gain the trust of motorists not only in the Nordic countries, but also in Slovakia. Carstore is committed to deliver the highest level of customer satisfaction in the used car market,” says Peter Lampret, CEO of Carstore Sweden AB.
