

XVIVO - Enters 2025 in white waters

XVIVO is likely to enter 2025 with a modest quarter during a period of macro-economic worries. XVIVO benefits from strong structural growth drivers already later in 2025 and the exposure to macro-economic challenges are modest. We regard the recent share price pressure as an opportunity. We make a slight negative revision ahead of Q1 as XVIVO continues to invest in sustainable growth during 2025 ahead of substantial launch support.
