

Catella appoints Daniel Gorosch to Head of Corporate Finance Europe

Catella have appointed current interim CEO Daniel Gorosch as Head of Corporate Finance Europe following the announcement that Rikke Lykke will take up the position as permanent Group CEO on August 15.

Daniel Gorosch joined Catella in January 2024 as Managing Director at Catella Corporate Finance Sweden and was appointed interim CEO in September 2024. The role as Head of Corporate Finance Europe is newly established and aligns with the Group's strategy of future pan-European growth.

Daniel Gorosch has extensive experience in the transaction market, in previous roles as Managing Director at Colliers Sweden and JLL Sweden.

"I feel very inspired to further contribute and develop Catella's brand and reputation in transaction advisory and advanced capital market solutions. The role marks the importance of our Corporate Finance business as we now put extra effort to further develop this business. This is my true home turf and I am really looking forward to developing the Corporate Finance business area together with my colleagues across Europe", said Daniel Gorosch.

"I am very pleased that we have found a way forward that develops our offering strategically while we also benefit from Daniel's vast knowledge of the transaction market. This marks a significant development, reflecting a strategic decision and fostering continuity with Daniel still in the organization. With Daniel's extensive expertise in the field and about Catella as a whole, we further strengthen our position as a leading advisor in property-related Corporate Finance and Capital Markets advisory", comments Rikke Lykke, incoming Group CEO.

In conjunction with the appointment of Daniel Gorosch as Head of Corporate Finance Europe, the current acting Managing Director of Catella Corporate Finance Sweden, Theodor Jarnhammar, has been appointed as permanent Managing Director. Throughout his interim leadership, he has successfully developed and refined the business through key recruitments, and with a strategic focus on the market's need for advisory services. The appointment has taken immediate effect.
