

Västra Hamnen Corporate Finance initiates coverage of Precise Biometrics

Västra Hamnen Corporate Finance (Västra Hamnen), an independent securities firm specializing in financial advisory services, will initiate coverage of Precise Biometrics (Precise), a pioneer in biometrics and cybersecurity.

The initial analysis of Precise Biometrics will be published in the second half of February, shortly after the company's fourth-quarter earnings report. As part of the coverage, Västra Hamnen's analyst Martin Dominique will interview Precise Biometrics' CEO, Joakim Nydemark, in connection with the earnings release.

As Precise begins its collaboration with Västra Hamnen, the company is ending its partnership with Redeye, which previously covered Precise.
