

## **Newsec welcomes Morten Slette to Investment Management**

**Newsec is delighted to announce the strategic appointment of Morten Slette, an experienced professional renowned for his extensive industry knowledge and competence, to enhance the Investment Management team.**

Morten Slette's impressive background and accomplishments make him a valuable addition to Newsec. His profound expertise will play a central role in re-enforcing Newsec's Investment Management business and furthering the commitment to delivering exceptional services to our clients.

“Morten Slette's in-depth industry expertise and extensive experience are valuable additions to our Investment Management team. I'm pleased that we are strengthening our business and team with his knowledge and network”, says Max Barclay, Head of Advisory and Deputy CEO at Newsec.

The Investment Management business in Norway is organized in a partner model under the leadership of Ole-Christian Rustad, Head of Investment Management Norway. The ambition in Norway is the same as on other markets, to build a competitive business unit with the entire Nordic region as a catchment area.

“I am pleased to be given this opportunity and excited to get started”, says Morten Slette, Partner Investment Management Newsec.

Morten Slette has most recently worked as Head of Project Finance at DNB Markets, he will assume his new role in January 2024.

Newsec has a history of assisting international pension capital with Investment Management in Sweden, Finland and more recently Denmark and Norway.

Newsec, a service company in real estate and beyond, offers investors, property owners and tenants a full range of services within the five business areas Property Asset Management, Advisory, Investment Management, Energy Transition and Digital Accelerator. The company was founded in 1994 and has revenues of appr 3 MEURO. Newsec employs some 2 600 people spread across the seven Nordic and Baltic markets.
