**PRESS RELEASE**

## **Prisma Properties divests property in Uppsala**

Prisma Properties has divested the industrial property Kungsängen 34:3 in Uppsala to Revelop. Takeover took place in May. The property has been divested as it has been determined that potential development does not align with the company's strategy, both in terms of scope and focus on discount retail.

The transaction, which is being completed at book value, frees up capital for other projects and acquisitions across the Nordic region. These investments are in line with the company's strategic focus on discount retail within the grocery, discount and QSR (Quick Service Restaurants) categories.
