

WPTG publishes monthly revenue for October and November 2025

Stockholm, Sweden, 2025-12-16 - White Pearl Technology Group AB (WPTG), a Swedish Global Tech Company, today publishes its consolidated monthly revenue figures for October and November 2025. This disclosure forms part of the Company's continued commitment to enhanced transparency and timely market communication.

Monthly revenue performance:

- **October 2025: SEK 43.635 million**
- **November 2025: SEK 53.330 million**

Revenue growth from October to November reflects continued execution across the Group's operating subsidiaries in Europe, Africa, the Middle East, Asia and Australia, supported by a diversified client base across IT services, digital transformation, cloud, cybersecurity and managed services.

The Company notes a quarter-on-quarter increase after 2 months of 2025:Q4 from 2025:Q3 demonstrating positive operational momentum across several core markets. Revenue continues to be generated across multiple currencies and geographies, reflecting WPTG's international delivery model and diversified technology portfolio. Particular focus is drawn on improved revenues in the Nordics.

WPTG intends to continue publishing monthly revenue figures going forward as part of its broader strategy to provide shareholders and the market with increased operational visibility.

Important information

Monthly revenue figures are provided as unaudited management information and are intended to complement, not replace, the Company's interim and annual financial reporting prepared in accordance with applicable accounting standards.
