

Maven Wireless opens a new office in Singapore

Maven Wireless Sweden AB (publ) today opens their new office at 360 Orchard Road, International Building in Singapore. This new office will serve as the regional headquarters for the APAC region.

“Maven Wireless has a strong position in South East Asia with existing high profile projects centred around Singapore, so this new office makes perfect sense. The company is expanding strongly in the region with new orders from, for example, China and Australia. This new office will strengthen the company position in the APAC region for both existing and new customers” said Fredrik Ekström, CEO of Maven Wireless.
