

QleanAir announces a large renewal order from the German school sector

QleanAir Holding AB (publ), the premium provider of solutions for clean indoor air, announces a large renewal order from the school sector in Germany. The order worth approximately 425 TEUR is placed by the city administration in Ludwigshafen am Rhein.

The order is renewal contract for two years for Qlean Air FS 30 HEPA air cleaning units operating in 27 schools in Ludwigshafen am Rhein. The contract is worth approximately 425 TEUR with the option to renew another 12 months.

- This renewal is a testament to the worth that we provide to the German schools. We are very proud to be able to continue to support them with clean indoor air says, Tobias Willi, Managing Director of QleanAir GmbH.

During the corona pandemic, the local government in several German regions, has been funding investments in air quality in schools as a complement to substandard ventilation. Air cleaning with HEPA 14 filters reduces the concentration of virus, bacteria, and other pollutants in the air, and is recommended by Technische Universität in Berlin and the German ECDC.
