

WITCHSPIRE SURPASSES 300,000 WISHLISTS ON STEAM

Envar Games confirms that the amount of wishlists for Witchspire on Steam has gone beyond 300,000.

“This is exactly what we’ve been hoping for” says Liam O’Neill, Head of Games and Lead Producer on Witchspire, “We’ve had the opportunity to share early versions of the game for feedback from players, and built relationships with creators ahead of the launch. To also see a continued growth of Wishlists gives a positive indication of our upcoming release on the 10th of June”
