**Enad Global 7 AB (publ) ("EG7") is proud to announce today's release of MechWarrior 5: Clans across PC, Xbox Series X|S and PlayStation 5 for \$49.99. Developed and published by its wholly owned subsidiary, Piranha Games ("Piranha").**

MechWarrior 5: Clans represents the third game in the MechWarrior franchise since Piranha took over the series in 2010, and follows Piranha's 2019 hit, *MechWarrior 5: Mercenaries*, which was an open ended, procedural experience, selling more than 2 million units while securing its current 84 percent Very Positive ranking on Steam from almost 10,000 user reviews. MechWarrior 5: Clans is a must-play sci-fi action, bursting with gripping cinematics, MechWarrior's latest entry is the first narrative driven MechWarrior game in almost three decades. Highly anticipated by fans of the franchise, *MechWarrior 5: Clans* is a great jumping off point for new players looking to experience the ultimate mech-based combat.
