

## Obducat receives order valued at 3 million SEK from an existing customer in Europe

**OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received a purchase order from an existing customer in Europe, for the supply of a QS wet processing tool. The order value amounts to approx. 3 million SEK.**

The customer is engaged in manufacturing of Photonic components. The QS system will be configured to perform wet chemical processes in conjunction with production of Photonic components. Further information cannot be disclosed at this point in time.

The QS tool will be delivered in the first quarter next year.
