

‘Out of Sight’ to be released on May 22, 2025

The wait is finally over! We are happy to announce the official release date for Out of Sight on the 22nd of May 2025!

Wishlist Out of Sight [here](#), try the [demo](#) and watch the [launch date trailer here](#)!!

In Out of Sight, players assume the role of Sophie, a young girl with blindness who relies on her faithful teddy bear to navigate her way through a haunted house. With a unique second-person perspective, players will guide Sophie and Teddy on their adventure in the haunted mansion where every corner hides a new challenge!

Do you have what it takes to help Sophie and Teddy to escape?
