ASTG receives new Satmission order from the Czech Republic

ASTG receives order from our partner Elvia Pro from the Czech Republic of EUR 96k

ASTG is happy to announce that we have today received an order from our partner Elvia Pro from the Czech Republic for a total order value of EUR 96,000 (1.02 MSEK) for Satmission Driveaway Antenna systems.

About Advanced Stabilized Technologies Group AB

ASTG includes the wholly owned subsidiary AIMS AB & Satmission AB.

ASTG AB develops, manufactures and sells innovative 4-axes stabilizing VSAT antennas for maritime use. The company is also selling development projects based on C2SAT's antenna platform. AIMS AB develops and sells advanced inertial sensor units (IMUs) designed to measure movements in three dimensions. Satmission AB is a leading designer and manufacturer of mobile satellite communications systems for broadcasting.

The company's registered office is in Stockholm, Sweden.

The company is listed at Nordic SME stock exchange.
