

Quickbit selects Worldpay from FIS for merchant acquiring services

Quickbit has entered into an agreement with Worldpay from FIS to provide global merchant acquiring and related services for card-to-crypto purchases. Worldpay is a leading provider of payment processing solutions with extensive experience and knowledge of cryptocurrencies.

Worldpay is part of Fidelity National Information Services, Inc. (NYSE:FIS), a leading provider of technology solutions for merchants, banks and capital markets firms globally. For more information about FIS, please go to <https://www.fisglobal.com/en/about-us>

“We are particularly pleased to be partnering with a leading player such as Worldpay, which has extensive experience and knowledge of card-to-crypto transactions. It is important for us to partner with several merchant acquiring providers for card-to-crypto purchases as it supports our growth ambitions.”, said Hammad Abuseifan, CEO of Quickbit.
