

## Quickbit announces changes to Group Management

**Quickbit announces changes to the Group Management team led by Anders Jonson as Interim CEO and Group President with Martin Samuelsson as Head of Product, Sneha Patel as Head of Finance and Thomas Engdahl as Head of Tech.**

Martin has a degree in digital design from Hyper Island and has been employed as both Visual Design Lead and Head of Design at Quickbit since 2019. Previous experience includes work in digital design development as Art Director at Tre and Expressen among others.

Sneha has a degree in economics from Uppsala University and has been employed as Finance Manager at Quickbit since the summer of 2022. Sneha has previously worked as accounting responsible and held several senior positions in business control at Vattenfall, NetEnt and Zmarta Group.

Thomas has a degree in computer engineering from Lund University. Previous experiences include roles as Chief Technical Officer, Product Manager and Senior Integration Architect at Mawell, CSAM Healthcare Sweden and Vingmed among others.

Therese Lindgren, Head of Product, and Susanne Andersson, Interim CFO, have chosen to leave Quickbit for new positions externally.

"I am happy to announce a very professional recruitment in Thomas Engdahl as Head of Tech, while also having the pleasure of welcoming both Martin and Sneha to their new roles in the management team. They will all contribute with extensive knowledge to Quickbit's continued journey. I would also like to take the opportunity to thank Susanne and Therese for the valuable work they have put in here at Quickbit and wish them the best of luck in their future endeavours," says Anders Jonson, Interim CEO and Group President at Quickbit.

The management team going forward will consist of Anders Jonson, Interim CEO and Group President, Johan Björklund, Chief Legal and Compliance Officer, Martin Samuelsson, Head of Product, Sneha Patel, Head of Finance and Thomas Englund, Head of Tech.
