Item 12 – Resolution on authorization for the board of directors to decide on issues of shares, warrants and convertibles

The board of directors proposes that the annual general meeting resolves to authorise the board of directors to - on one or more occasions and until the next annual general meeting - resolve to increase the Company's share capital by issuing new shares, warrants and convertibles within the limits permitted by the articles of association from time to time.

A new issue of shares warrants and convertibles may be made with or without deviation from the shareholders' preferential rights and with or without provisions on non-cash, set-off or other conditions. According to Chapter 16. of the Swedish Companies Act, the board of directors is not entitled to use this authorisation to decide on issues to board members of the group, employees etc. Issues decided on the basis of the authorisation shall be made on market terms.
