

## Quickbit announces information about upcoming presentation and Q&A

On August 23, 2023, at 17.00 Quickbit will hold a presentation with subsequent Q&A. CEO Daniel Sonesson and chairman Peter Liljeroos will tell you more about Quickbit's operations, new products and explain the way forward – Quickbit 2.0.

Quickbit's new product portfolio enables the next step in Quickbit's development phase, what we call Quickbit 2.0. Quickbit 2.0 will take the company further into the future where the ambition is greater transparency to both engage and include Quickbit's shareholders even more in the continued growth of the business.

The presentation will take place in Quickbit's premises at Lästmakargatan 20 in Stockholm on August 23, 2023, at 17.00. It is possible to participate both physically and digitally via link.

Registration to participate physically must be made to [ir@quickbit.com](mailto:ir@quickbit.com) no later than August 15, 2023. To participate digitally, no registration is required and the link to the presentation will be available on the following page a few hours before the presentation starts:
