Astor Group's EW company receives order worth approximately SEK 21 million

Scandinavian Astor Group's ('Astor Group' or 'the Company') subsidiary in Electromagnetic Warfare ("EW"), Oscilion, has received an order for, among other things, the drone jammer Eclipse from a country in the Western world. The order value is approximately SEK 21 million and deliveries are scheduled for 2025.

The EW operations of the subsidiary Oscilion have received an order of approximately SEK 21 million for EW systems and equipment. Deliveries will begin before the summer and be completed by 2025. The orders also include training and technical support.

Due to the nature of the industry and the circumstances of the customer, as well as national security interests, no further information about this order or the customer will be disclosed.
