## **KEBNI GETS LOCAL REPRESENTATION IN INDONESIA**

### **KebNi AB (publ) has engaged PT Bintang Panca Tridasa as local representative in Indonesia**

**Stockholm, 24 January 2022** - KebNi AB announces today that PT Bintang will act as Market Consultant, potential Re-seller, and local support provider for Kebni products.

PT Bintang is a well-established and well reputed Technology Consultant and Support company in Indonesia, with good contacts and relationship with the Government and local industry.

By this engagement Kebni strengthens its presence in Indonesia with such a strategic partner as PT Bintang.

*"We welcome PT Bintang as our new local representative in Indonesia as we embark on the next phase of our journey. This partnership will form a solid basis on which we can further strengthen and accelerate our growth ambitions in the region," says Kristian Wallin, Kebni CCO*

For more information, please contact CEO, Torbjörn Saxmo on 070 916 14 82.

#### **About KebNi AB (publ)**

*KebNi has a long history and extensive experience in maritime and land-based satellite antenna solutions as well as solutions for inertial sensor systems for motion detection. The company, headquartered in Stockholm, is focused on becoming a leading supplier of reliable technology, products and solutions for satellite communications, security, positioning, and stabilization. KebNi's products and solutions are aimed at government, military, and commercial customers. The company operates in a global market, directly and through a network of resellers.*

*KebNi currently has operations in two different product areas - satellite communication and inertial sensors. These are described in detail at [www.kebni.com](http://www.kebni.com).*

*KebNi "brings stability to a world in motion".*

*The company's share (KEBNI B) is traded on the Nasdaq First North Growth Market. Certified Adviser is G&W Fondkommission, e-mail: [ca@gwkapital.se](mailto:ca@gwkapital.se), telephone: 08-503 000 50.*
