BeammWave strengthens the Board with expertise in sourcing and supply

At the annual general meeting on May 10, Jonas Spannel, Purchasing Manager at Oatly AB, was elected as a regular member of the Board of BeammWave.

"The company is now entering a phase where commitments linked to supply and quality gain increased importance, Jonas will bring significant experience in these areas and also in quality and other operational issues, from his previous roles at SonyEricsson and Fingerprint Cards", says Stefan Svedberg, CEO of BeammWave.

Jonas Spannel has five years of studies at the Officers' College and the Military College with a focus on radar, radio and control systems, which he supplemented with business administration at Örebro University. He has extensive experience in sourcing and supply in growing technology companies, primarily SonyEricsson and Fingerprint Cards.

The Board of BeammWave now consists of chairman Fredrik Rosenqvist, Markus Törmänen, Märta Lewander Xu, Gustav Brismark and Paula Eninge.
