

PRESSRELEASE **March 5th 2015**

ADDvise receives order from AstraZeneca in China worth 2.2 MSEK.

ADDvise has received an order from AstraZeneca in Wuxi, China, to deliver laboratory furnishings and safety ventilation to a chemistry laboratory and a microbiology laboratory. The order amounts to 2.2 MSEK and will be delivered during 2015. The order will be delivered to AstraZeneca's research and development laboratory in Wuxi.

- This is the second order in China in a short time. It is exciting to see that the interest in ADDvise solutions is growing on the gigantic Chinese market. We see great potential for future growth in China, where infrastructure investments is constantly increasing in line with increased economic prosperity and increased life expectancy, says Rikard Akhtarzand CEO of ADDvise, in a comment on today's order.
