

BOARD MEMBER OF CLIMEON RESIGNS

Climeon AB today announces that board member Charlotte Strand will resign from the Board with immediate effect at her own request. The decision was made due to personal reasons. According to Climeon's Articles of Association, the Board shall consist of a minimum of three and a maximum of ten members. After Charlotte Strand leaves the Board, it will consist of four members and thus meets the requirements of the Articles of Association.

Thomas Öström, Chairman of the Board for Climeon comments: *" We thank Charlotte for her help and commitment and have a full understanding of the decision and wish her all the best in the future."*

The information was published for public disclosure on August 30 at 2 pm (CET) through the agency of the contact person set out above.

About Climeon AB (publ)

Climeon is a Swedish product company within energy technology. The company's unique technology for geothermal heat power - Heat Power - makes a large untapped energy resource available and provides sustainable electricity around the clock all year round. Heat Power is a cheap and renewable energy source with the potential of replacing much of the energy that comes from coal, nuclear, oil and gas, today. Climeon's B share is listed on Nasdaq First North Premier Growth Market. Certified Adviser is FNCA Sweden AB, +46(0)8-528 00 399, info@fnca.se.
