About Boule Diagnostics AB (publ)

Boule Diagnostics AB (publ) is a global diagnostics company specializing in near-patient, decentralized blood diagnostics and one of the few companies in the global diagnostics market that conducts its own development, manufacturing and marketing of instruments and consumables for blood diagnostics. The Company primarily serves hospitals, clinics, laboratories and other diagnostics companies to which it offers complete systems for blood diagnostics (hematology) in both the human and veterinary areas. Boule has strong positions in important emerging markets such as in Asia and in recent years has improved its position in the fast-growing veterinary market. Operations are conducted through operating subsidiaries in Sweden, the United States, Mexico and Russia. The Group reported net sales of SEK 571 million in 2023 and has more than 200 employees. Sales are conducted globally, predominantly through the company's 200 or so distributors in over 100 countries, supported by Boule's own local sales and service personnel. Boule has been listed on Nasdaq Stockholm since 2011. <http://www.boule.com>
