About Boule Diagnostics AB (publ)

Boule Diagnostics AB is a global diagnostics company that develops, manufactures and markets instruments and consumable products for blood diagnostics. The company serves hospitals, clinics, laboratories and companies within blood diagnostics, in both human and veterinary hematology. The company operates via subsidiaries in Sweden, the USA, Mexico and Russia. The company products are sold globally primarily through distributors, supported by Boule's own local sales and support personnel. The Boule shares are listed on Nasdaq Stockholm since 2011. www.boule.com

The information was submitted for publication, through the agency of the contact person set out above, at 15.00 CET on July 7, 2021.
